

CALL FOR WITNESSES

It's been 10 years since Raymond Mason's sculpture, *Forward*, stood in Centenary Square.

Do you remember it before it was burned?

We want to hear from anyone who knows about the life of the sculpture, from its arrival in Birmingham in 1991 to its dismantling and disposal in 2003.

Did you help build or maintain it?

Did you ever climb on it?

Did you see it catch fire?

Did you help put out the blaze, or sweep up the debris afterwards?

Our project will tell the story of *Forward* from points of view such as these. Please get in touch if you, or anyone you know of, could help.
